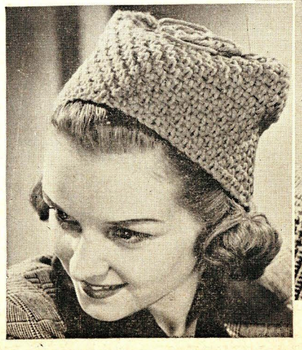
widening as often as required to keep work flat. Have the widening places come at irregular intervals, so they will not be noticeable. When 11 flat rows are made, begin the shaping of brim. Mark, with white thread, two places exactly opposite, one for the front, and one for the back. When making the next row of sc, at front, skip **1 sc.** When 5 sts from back marking, widen by making 2 sc in 1. Continue for 10 sc, then widen again. The next row around, do not widen or decrease. The third row, decrease 1st in front, immediately below the first decrease. In the back, increase 2 sts, just below the former widening sts. The next row is made plain. Continue widening in back, and decreasing in front every other row till you have 11 or 12 rows, or the brim is as deep as you want it. Fasten yarn, on wrong side of hat.

Ornament: This is made in 4 pieces, exactly alike. Ch 26, make sc in each st, till the end. In this st make 7 trs, make sc in each st along other side to end. Join each of these pieces in loop form, with the trs outside. Sew in place. The second piece in each set is slipped through 1st loop before fastening. Place the ornaments with the tr ends close together at top of hat, and sew to hat. The lower ends, with trs outside, should slant to bottom of brim. Middle parts of each ornament are loose. If liked, the crocheted trim may be left off, and a feather or long pin may be inserted through the sts of brim.

"CELEBRATION" Hat—No. 2

(Illustrated On Front Cover)

Materials: 1 skein of Lily Rug Yarn. The **Brim** is made first. Ch 14, make a sc in 2nd st, and every other st of ch, turn. Working only thru the back loop of st, make a sc in each sc of row. Turn (always make one ch to turn). Make a ch in each ch of row. Continue working back and forth in this rib st. (Work only through back loops.) When strip is 23" long, fasten yarn. Join ends of strip carefully. (It can be more neatly sewed than crocheted). **Crown** — Join yarn to top of strip. Make sc around hat, then continue making sc in sc till you have 4 rows. The next row, make the little points in this way: Make 7 sc in 7 sc, then catch back in 1st of the 7 sc, and draw them together. Make 3 sc in next 3 sc, then make another point of next 7 sc, and continue around. In the next row begin to narrow the crown by skipping every 6th st. The next row, skip every 4th st, and then narrow more rapidly till you have only 3 sts left. Draw these together and fasten. Make a pom-pon of remaining yarn, and fasten to top of hat, or make 3 pom-pons of various colored yarn, trim front, as liked.



"RED WING" Hat—No. 4

Materials: 1 skein of Lily Rug Yarn, Red, R-95. Lily Viking Aero Crochet Hook Size H-6.

This hat is made in triangular form. Start at point with a ch of 3 sts, turn. 1—Sc in 2nd st, ch 1, sc in 3rd st, turn; 2—Ch 1, sc under 1 ch, ch 1, sc in last sc, turn; 3—Ch 1 (always, to turn) sc under 1 ch, ch 1 sc under next 1 ch, ch 1, sc in last sc, turn; 4—Sc under 1 ch, ch 1, sc under next 1 ch, ch 1, sc under next 1 ch, ch 1, sc in last sc. Continue in this way, increasing at end of each row till the last row you are working on measures 21, 22 or 23 inches, to fit your head size. The model measures 23 inches, and has 35 sc with 1 ch between. Fasten thread. Bring two points together, and work over this side with sc, taking sts through both thicknesses, and using just enough sc so seam will not "draw". Now work over second side in the same way. The three points come in the back. The points may be worn as they are, untrimmed, if liked.

The model has the 2 front points caught with a 4 inch double length of yarn. This is, in turn, tacked to top of hat with an ornament made thus: Over a 4-inch width of cardboard, wind the remainder of the red yarn. Slip off loops, and sew or tie securely to hat.

"SPRINGTIME" Hat—No. 5.

Materials: 1 skein of Lily Rug Yarn.

Ch 2. drawing out 1st st to form a loop. In this loop make 6 sc. Work around and around this hat, 1st row placing 2 sc in each sc of former row, next row widen every other st, and after that, as often as required to keep work flat. Make increases at irregular intervals so they will not show. Make 10 rows flat, then begin the brim. Make 5 sc. then in next st make 4 trs, catch back in 1st tr, and draw yarn through rather tightly to hold the "Popcorn", then make 5 sc in next 5 sts, and make another popcorn in next st. Continue around. You should have 11 popcorns in row. Next two rows make sc in each sc. Then the next popcorn row place the little balls exactly between those of first row made. Make two more rows of plain sc, then another row of popcorns, as before between those of last row. Make 2 more plain rows, and fasten yarn securely. For the ornament, crochet a ch from 30" to 36" (depending on the yarn you have left). Arrange it in 6 loops, like petals of flower, sew loops to top of hat. Then, to hide joinings, sew a few inches of yarn in circle around center of flower.
